Supplier will reimburse Molson Coors for any costs Molson Coors incurs in enforcing Supplier's obligations in this Section.

14.2. Molson Coors will be named as an additional insured under Supplier's commercial general liability and automobile liability insurance policies. Supplier's insurance will be primary and non-contributory to any other valid and collectible insurance or self-insurance carried by or afforded to Molson Coors. Supplier will cause its insurers to waive all rights of subrogation against Molson Coors and its officers, directors, managers and employees. Supplier will, upon request, furnish certificates of insurance, including a copy of the additional insured endorsement, in a form reasonably acceptable to Molson Coors evidencing that Supplier is in compliance with the insurance requirements of the Contract. Supplier must provide Molson Coors written notice within 30 days of any material change in, or cancellation of, an insurance policy, and such written notice must detail the change or cancellation.

15. GOODS RECALL

15.1. In the event of a recall of goods at any time by any entity, governmental or otherwise, Supplier shall promptly notify Molson Coors of such a recall that affects the Goods purchased or ordered by Molson Coors or that could have an effect on Molson Coors or the Goods purchased or ordered by Molson Coors. Supplier shall comply with all Applicable Laws in connection with a recall.

15.2. Supplier shall be solely and directly responsible for all of Molson Coors' expenses and liabilities associated with a recall, unless the recall is caused by Molson Coors' sole negligence.

16. FORCE MAJEURE

If either party is delayed or prevented in the performance of any of its obligations under the Contract by a Force Majeure Event, that party will give immediate written notice to the other party describing the Force Majeure Event. The affected party will not be liable for such delay or non-performance, and the time for performance of the affected obligation will be extended by such period as is reasonable to enable that party, using all reasonable efforts, to perform that obligation. Delays caused by Supplier's subcontractors or suppliers do not constitute a Force Majeure Event unless their delay is caused by a Force Majeure Event. A party's performance under this Section will be suspended only for so long as the Force Majeure Event exists. If the Force Majeure Event delays or prevents Supplier's performance, then any corresponding obligation of Molson Coors (including any obligation to pay) will be delayed by the same amount of time or cancelled, as applicable.

17. ASSIGNMENT AND SUBCONTRACTING

17.1. Supplier may not assign, transfer, mortgage, charge, subcontract, sub-license or otherwise dispose of the whole or any part of the Contract, whether by operation of law, contract or otherwise, without Molson Coors' prior written consent, which consent may be withheld in Molson Coors' sole discretion.

17.2. The relationship of the parties is personal in nature. Supplier may not delegate or subcontract all or any part of its obligations under the Contract without the prior written consent of Molson Coors. In the event Molson Coors consents to the use of a subcontractor, Supplier: (i) must actively and diligently supervise the activities of such subcontractor; and (ii) must ensure such subcontractor's compliance with the terms of the Contract. Supplier will be responsible for any acts or omissions of any subcontractors, whether or not approved by Molson Coors.

17.3. Molson Coors may, without the consent of Supplier, assign the Contract to any affiliate of Molson Coors or to any party that acquires substantially all assets of Molson Coors.

18. SUPPLIER DIVERSITY

For purposes of Delivering the Goods and/or providing the Services under the Contract in the United States, Supplier agrees that it will include qualified diverse businesses as suppliers to Supplier if their participation is both feasible and competitive. A diverse supplier is a for-profit enterprise located in the United States or its trust territories, which is controlled, operated and 51% owned by a minority member or woman. Minority members are individuals who are African American, Hispanic American, Native American, Asian-Pacific American and Asian-Indian American.

19. GOVERNMENT CONTRACTING

Molson Coors and Supplier shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status.

20. ELECTRONIC COMMERCE

PURCHASE ORDER TERMS AND CONDITIONS

21. **DISPUTE RESOLUTION; GOVERNING LAW; VENUE**

21.1. This Contract will be governed by and construed in accordance with the laws of the State of Wisconsin without reference to conflicts of law principles. Subject to the provisions of Sections 21.2 - 21.4, the parties consent to the personal jurisdiction of the state and federal courts located in Milwaukee County, Wisconsin, waiving their rights to any other venue, and agree that any legal proceeding with respect to this Contract or the business relationship contemplated by this Contract will be brought before the state or federal courts located in Milwaukee County, Wisconsin. None of the provisions of the United Nations Convention on Contracts for the International Sale of Goods will be applied to the interpretation or enforcement of this Contract.

21.2 Except for matters set forth in Section 21.5, the parties will attempt to resolve any dispute ("Dispute") arising out of or relating to this Contract, including the breach, termination or validity hereof, promptly by negotiation between executives who have authority to settle the controversy and who are at a higher level of management than the persons with direct responsibility for administration of this Contract. To initiate a negotiation, a party will give the other party written notice ("Notice of Negotiation") of any Dispute not resolved in the normal course of business. Within 15 days after delivery of the Notice of Negotiation, the executives of both parties will meet at a mutually acceptable time and place (or telephonically or by means of video meeting), and thereafter as often as they reasonably deem necessary, to attempt to resolve the Dispute. All negotiations pursuant to this clause are confidential and will be treated as compromise and settlement negotiations for purposes of applicable rules of evidence. The parties further agree that all offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts and attorneys, and by the mediator and any employees of the mediation service, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any litigation, arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation.

21.3 If a Dispute has not been resolved by negotiation as provided in Section 21.2 within 15 days after delivery of the applicable Notice of Negotiation, or if the parties fail to meet within 15 days after delivery of the applicable Notice of Negotiation, either of the parties may, upon mutual written agreement, choose to settle the dispute by confidential mediation conducted by an agreed-to neutral third-party mediator.

21.4 Any Dispute not resolved within 30 days after issuance of the applicable Notice of Negotiation will be finally resolved by confidential binding arbitration in accordance with this paragraph unless the parties agree in writing to endeavor to settle the dispute by mediation in accordance with Section 21.3, in which case any such arbitration will not commence until 15 days after the completion or termination by either party of mediation efforts. Any such arbitration will be before a three-person American Arbitration Association ("AAA") arbitration panel and in accordance with the rules and procedures then in effect of the AAA. The place of arbitration will be Milwaukee, Wisconsin. The parties irrevocably consent to such jurisdiction for purposes of said arbitration, and judgment may be entered thereon in any state or federal court in the same manner as if the parties were residents of the state or federal district in which said judgment is sought to be entered.

21.5 If any Dispute entails a matter that will cause either party irreparable damage for which recovery of money damages would be inadequate, the parties will not be required to comply with Sections 21.2 - 21.4 and either party may seek immediate equitable relief without the necessity of posting a bond in any state or federal court located in Milwaukee County, Wisconsin.

22. **MISCELLANEOUS PROVISIONS**

22.1. No variation, supplement or amendment to the Contract will be effective unless made in writing and signed by authorized representatives of Supplier and Molson Coors.

22.2. Any formal notice required to be given under the Contract must be in writing and must be delivered personally, or sent by certified or registered mail or by a nationally recognized commercial overnight courier, to the party required to receive the notice. Notices will be delivered or sent to the last known address of the intended recipient party. A notice will be deemed to have been duly received: (i) if delivered personally, upon delivery; (ii) if sent by certified or registered mail, on the third Business Day after mailing; or (iii) if sent by nationally recognized commercial overnight courier, on the first Business Day after sending. Delivery by email or facsimile will not suffice to effect notice.

22.3. A failure to exercise, or delay in exercising a right, power or remedy provided to Molson Coors by these Conditions or by law does not constitute a waiver of that, or any other, right, power or remedy and will not (and nor will any single or partial exercise of any such right, power or remedy) preclude the further exercise of that, or any other, right, power or remedy.

22.4. Supplier will represent itself only as an independent contractor unrelated to Molson Coors or its subsidiaries or affiliates. Nothing in the Contract is intended to create a relationship, express or implied, of employer-employee, principal-agent or partnership between Molson Coors and Supplier. Supplier will not have and will not represent itself as having any authority to make contracts in the name of or on behalf of Molson Coors in any way.

22.5. Any member of the Molson Coors Group may enjoy the benefit of and enforce the provisions of the Contract as if it were Molson Coors. Notwithstanding the foregoing, the provisions of the Contract may be enforced only by a party to it. The Contract is not enforceable against or binding upon any entity that makes up the Molson Coors Group, other than Molson Coors as defined herein.

22.6. If any of these Conditions is or becomes illegal, invalid or unenforceable, such illegality, invalidity or unenforceability will not affect the other Conditions, which will remain in full force and effect.

22.7. The United Nations Convention on Contracts for the International Sale of Goods does not apply to the contract.
